

Bead Colors

Bead color amounts are for making one 3-D lemon using the pieces shown above. You will need eight lemons in total for the wreath.

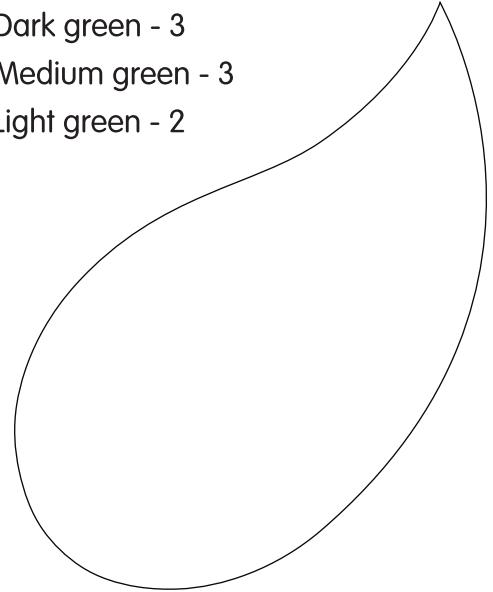

- | | | | |
|---------------------------------------------------------------------------------------------------|-------|--------------------------------------------------------------------------------------------------|------|
|  Pastel yellow | x 84 |  Prickly pear | x 2 |
|  Yellow | x 114 |  White | x 24 |
|  Cheddar | x 88 | | |

Assemble each lemon by sliding the connector pieces through all three layers.
