

## Bead Colors

|                                                                                     |               |      |                                                                                     |              |       |
|-------------------------------------------------------------------------------------|---------------|------|-------------------------------------------------------------------------------------|--------------|-------|
|  | Fuchsia       | x 70 |  | Parrot Green | x 122 |
|  | Honey         | x 33 |  | Grape        | x 30  |
|  | Mint          | x 70 |  | Black        | x 32  |
|  | Caribbean Sea | x 90 |                                                                                     |              |       |

Place the circle pegboard on your work surface with the straight row of pegs running vertically as shown by the blue line on the pattern.

Use the black thread to make a hanger  
and to connect the pieces, spacing the  
design elements as desired.
