

Bead Colors

Orange	x 64	Midnight	x 72
Prickly Pear	x 8	Purple	x 170
Kiwi Lime	x 8	White	x 2

Follow the blue arrows to add each chenille stem—go down through one bead hole then come up through the bead hole on the opposite end of the row. Bend the ends of the stems downward to form the legs as shown in the picture.

Stack and glue the body pieces together. (Legs aren't shown due to fit reasons.)

Insert the eyes into the openings in the head.
