

Bead Colors

● Yellow x 49

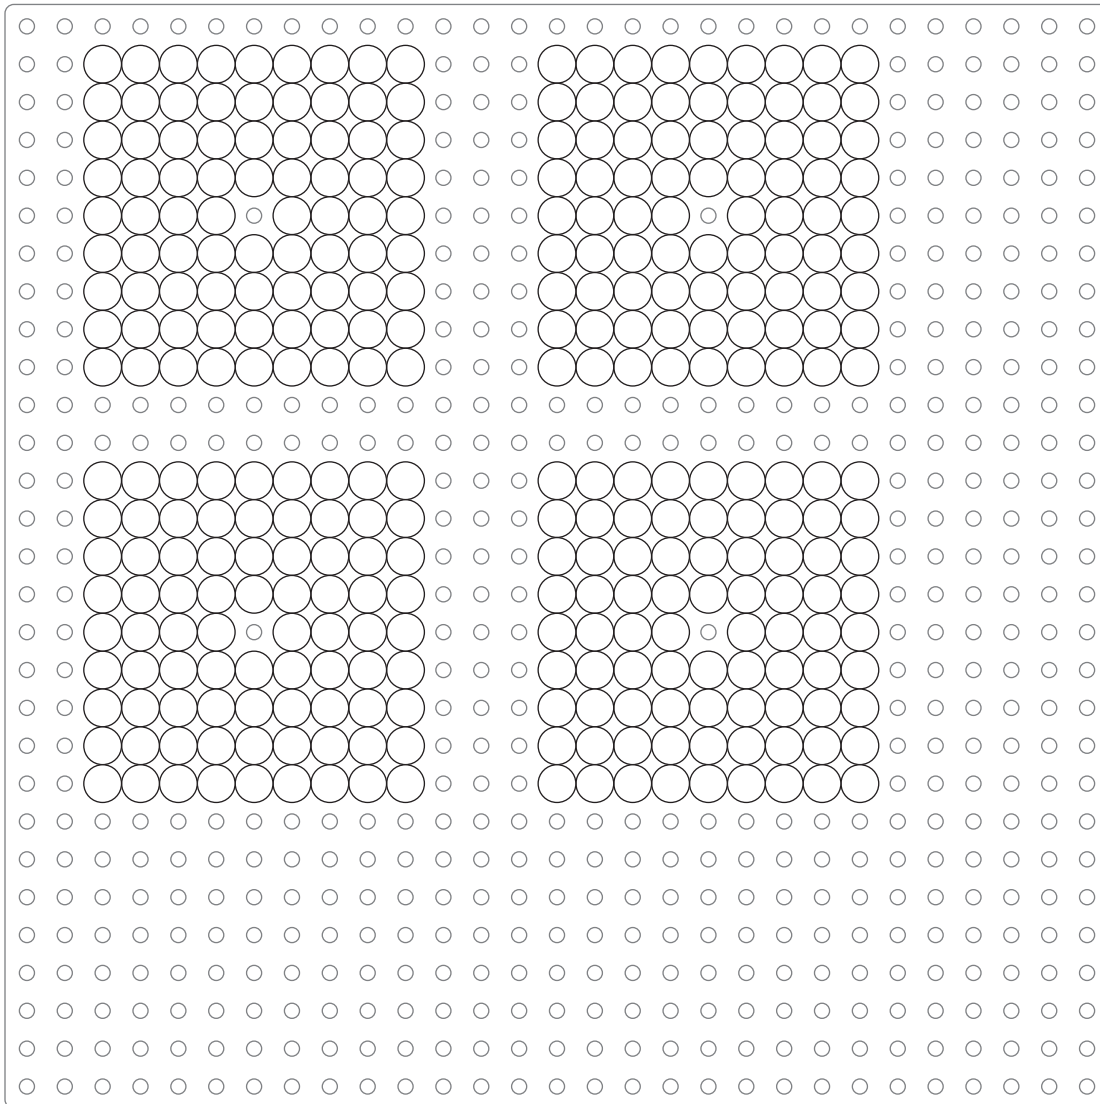

● Cheddar x 63

● Honey x 16

● Lt. gray x 19

● Black x 124

● White x 124

○ White x 320

Alternate Finishing Idea

- You will need 2 paper straws. Glue a straw to the back of the pennant and the "24" design.
- Make and fuse the square shapes shown above.
- To make each stand, stack and glue two square shapes together, then insert the straw into the center hole.
- For the pennant you may need to secure the stand to your surface with double-sided tape.
